PROPOSED AMENDMENTS, INITIATIVES, REFERENDUMS AND BALLOT PROPOSITIONS

PROPOSED AMENDMENTS, INITIATIVES, REFERENDUMS AND BALLOT PROPOSITIONS: The following may be included on the General Election ballot:

- The continuance of 2% Lodging Tax: Natrona County 2% LODGING TAX "This tax is paid by visitors staying in Natrona County hotels, motels, campgrounds, short term vacation rentals, and similar establishments providing temporary quarters or space for transient guests. Residents of Natrona County do not pay this tax unless staying in these establishments. School groups and other tax-exempt entities do not pay this tax. Shall the Board of County Commissioners of Natrona County, State of Wyoming be authorized to continue this lodging tax?" [oval] FOR THE COUNTY LODGING TAX [oval] AGAINST THE COUNTY LODGING TAX
- The continuance of 1% Optional Sales and Use Tax ("5th Penny" Tax): OPTIONAL 1% SALES AND USE TAX "It is hereby proposed that the Board of County Commissioners of Natrona County, State of Wyoming, be authorized to continue an optional sales tax within the county at a rate of 1% upon retail sales and other transactions, excluding food, authorized by statute to be taxed. The optional sales tax has been in place for 51 years, and the receipts of this tax are shared by all municipalities and Natrona County government based on population. The money is used for operations and capital projects as determined by the elected officials of the respective governments." [oval] FOR THE COUNTY SALES AND USE TAX [oval] AGAINST THE COUNTY SALES AND USE TAX
- The following Constitutional Amendment: "Shall a law be enacted: Establishing a property tax exemption for qualified homeowners' primary residence in the amount of fifty percent (50%) of the assessed value of the dwelling; AND defining "homeowner" and "primary residence"; providing that no more than one exemption shall apply to a single property or be claimed by a single owner per year; requiring a homeowner to be a resident of Wyoming for at least one year and to have occupied the primary residence for at least six months of the previous tax year to qualify; requiring an initial sworn claim to be filed with the county assessor by the fourth Monday in May; providing for continuing the exemption in subsequent years through annually confirming eligibility; providing a penalty for false claims; clarifying that the exemption applies to the residential structure; and specifying applicability? Estimated Fiscal Impact: Anticipated Revenue/(decrease); Fiscal Year 2028 ($92,614,266); Fiscal Year 2029 ($95,855,766). The above estimate is based on residential property assessed value and property tax data from the Computer Assisted Mass Appraisal (CAMA) system provided by the Department of Revenue in 2023. The future fiscal impact estimates are derived by using the January 2023 Consensus Revenue Estimating Group (CREG) report, estimating annual growth of 3.5% for properties in future years. This is an estimate of fiscal impact to the State of Wyoming only and does not include an estimate of any impact upon political subdivisions. The proposition references a beginning date of 2025, but if passed in 2026 the earliest applicable tax year would be 2027, with impact to the state beginning in 2028. Fiscal impact will apply to each year so long as the exemption is in place. Future impacts depend on unpredictable economic conditions." [oval] FOR [oval] AGAINST
